JURY PUTS EYE'S VALUE AT \$534.50 IN ITS VERDICT

John Stockwell Sues for \$10,-
000—Inter-Island Attorney
Takes Exception

How much is a perfectly good eye
worth? What value does a working
man place on one of his eyes?

A jury in Circuit Judge Stewart's
court today set the value in the first
instance at \$500. In a verdict reached
last night and handed in this morn-
ing, it awarded \$534.50 to John Stock-
well in the case of Stockwell against
the Inter-Island Steam Navigation
Company, in a suit for damages. The
\$34.50, said an attorney for the com-
pany, represents the doctor's bill.

Immediately after the reading of the
verdict, the attorneys for the Inter-
Island took exception to the verdict
as contrary to law and the weight of
the evidence, on the ground that the
verdict was excessive and contrary to
the law of the case as laid down by
Judge Whitney in the first trial of the
case, and gave notice of a motion for
a new trial.

When the case was first taken to
court about a year ago, Stockwell
placed the amount of damages at \$10,-
125. He alleged that he was struck
in the eye by an employee of the Inter-
Island, and that his eye was put out.
The ground for the suit was that the
company was employing an inexperience
d worker.

The first trial, held in Judge Whit-
ney's court, resulted in a nonsuit. A
plea in bar was entered by the plain-
tiff, the supreme court holding that a
nonsuit was not a bar.

CAPT. MATSON LOSES IN HUGE DAMAGE FIGHT

[By Latest Mail]

SAN FRANCISCO, Cal.—L. A. Cran-
dall, an oil promoter, was awarded
\$40,000 by a jury in Superior Judge
Hunt's court yesterday, in a suit for
\$400,000 against Capt. William Matson.
The jury brought in the verdict
which was characterized as a "com-
promise" by both sides, after deliber-
ating five hours. The case was on
trial two weeks.

Theodore J. Roche of Sullivan, Sul-
livan & Roche, attorneys for Crandall,
gave notice of a motion for a new
trial. He asked Alexander Morrison
of the firm of Morrison, Dunne & Bro-
beck, attorneys for Captain Matson, for
a stipulation of another hearing, but
Morrison refused to act immediately.
One of the interested lawyers ad-
mitted that an offer of \$60,000, which
is \$20,000 more than the verdict, had
been offered to Crandall during the
progress of the case and turned down.

The suit was the outgrowth of
transactions between the two prin-
cipals in regard to oil lands in the Mid-
way fields.—San Francisco Chronicle.

WAR TIME CHANGES SENTIMENT IN IRELAND

[By Latest Mail]

DUBLIN, Ireland.—A band of the
Irish Guards, which even a few
months ago would have received an
unfriendly greeting anywhere in Ire-
land, arrived here on a recruiting tour
and was enthusiastically cheered as
it marched to the Mansion House,
playing "St. Patrick's Day."

The bandsmen were received and
welcomed by the Lord Mayor and
Sheriffs.

There was another remarkable
scene here when John E. Redmond,
the Irish Nationalist leader, reviewed
25,000 of the Irish National Volunteers,
and in a speech said that of the Na-
tionalist and Ulster volunteers, who
had organized to fight one another,
more than 50,000 were now fighting
side by side on the Continent or in
training to go there.

A RARE OPPORTUNITY.

The Island Curio Co., Hotel street,
opposite Young hotel, are offering
for sale many choice vases, jardini-
ers and novelties in rare copper Pompe-
lian, brass and copper pieces. Less
than half price. Sale starts Monday,
April 26.—Adv.

Circuit Judge W. L. Whitney has ap-
pointed Mrs. Kelou Upa as administra-
trix of the estate of Samuel Upa, to
serve without bond. It was ordered
that an inventory of the estate be filed
within 30 days.

Keep Your Lungs Strong

This advice is doubly important with
the knowledge that every three minutes
some one in the United States succumbs
to consumption and many refuse to
realize they are afflicted until it is too late.

It is after colds or sickness, from over-
work, confining duties or when general
weakness exists that tubercular germs
thrive because the resistive powers of
the body are weakened.

Only with fresh air, sunshine and
abundant rich blood can one hope to
arrest their progress, and the concen-
trated fats in Scott's Emulsion furnish
fuel for rich blood, and its rare nourish-
ment helps strengthen the lungs while it
builds up the forces.

If you work indoors, tire easily, feel
languid or run-down Scott's Emulsion is
the most strengthening food-medicine
known and is free from alcohol or stupe-
fying drugs. Avoid substitutes.

NEWSPAPERMAN OF OREGON TO SIAMESE POST

William H. Hornbrook, for years
prominently identified with Oregon
state politics, publisher of a well-
known daily newspaper, appointed to
the important office of United States
ambassador to the kingdom of Siam,
is a passenger in the Pacific Mail
liner Korea that called at Honolulu
today.

Mrs. Hornbrook and two children,
Miss Virginia and John, accompany
the new official to his duties at the
faraway capital of Bangkok.

The post at Siam has been vacant
for about two years following the re-
tirement of Hamilton King, an emi-
nent diplomat, who had won a wide
circle of friends through long ac-
quaintance with affairs in the Far
East.

Mr. Hornbrook is taking over one
of the most interesting legations in
the East. Siam for years has re-
mained a bulwer state between the
growing encroachments of Great Brit-
ain, represented by Burma, and
France with its constantly growing
possessions in Indo and French Co-
chin China.

Mr. and Mrs. Hornbrook and fam-
ily will take up their official residence
at Bangkok, 60 miles inland on the
Mekong river. It is here that the mag-
nificent palaces and harem of Siam's
ruler are situated.

ALL TYPEWRITER WORK DONE BY WATERHOUSE CO.

In connection with the establish-
ment of the Underwood typewriter
agency in Honolulu, the Waterhouse
Co., Ltd., local agents, are sparing
nothing to make this branch of their
business as complete and efficient as
possible. Shortly after securing the
agency the services of Mr. Krusdorfer,
late of the Underwood factory, were
obtained, to take charge of the type-
writer department, paying particular
attention to the sales end.

To take charge of the repair de-
partment, Charles T. Smith arrived on
the Manoa last Tuesday. Mr. Smith
has for the past 17 years been affili-
ated with the leading typewriter com-
panies of the United States and later-
ly held the position of foreman of
branches for the Remington company.
In this capacity he visited all the
branches of the company, systematiz-
ing the repair departments. Mr.
Smith should prove a very competent
man to fill his present position with
the Waterhouse Company, being an
expert in the repairs of every make of
writing machine.

The Waterhouse Company now feels
ready to announce the formal opening
of its repair department, to handle all
makes of machines. All work will be
done under the personal supervision of
Mr. Smith and is guaranteed to be
satisfactory. Every branch of type-
writer repairing, even to the complete
rebuilding, is thoroughly equipped for
and is at the service of the Honolulu
public.

MOUNTAIN KING ADDS DIRECTORS

John Watt of Honolulu was made a
director of the Mountain King Mining
Company at the annual meeting of
that corporation, held yesterday in
San Francisco. The board, which
formerly consisted of five members,
was increased to seven, the other new
member being Rudolph Van Norden,
the engineer who designed the new
power plant at the property. The
five re-elected directors are W. S. Mil-
ler, D. Paul R. Isenberg, H. T. Harper,
A. McMillan and A. T. Dunbar.

There will soon be 30 stamps drop-
ping in the new mill at the mine,
which is in Mariposa county, Cal. A
new section consisting of 10 stamps is
being installed and the 20 stamps at
the old mill have been moved to the
site for the new reduction works. Un-
derground work, at last accounts, was
still bringing gratifying results, for
the ore body is widening and becoming
richer as progress is made in the
main drift.

ENGELS COPPER STOCK ON JUMP

Honolulu owners of stock in the
Engels Copper Mining Company are
jubilant over the sudden rise in price
of that security, which changed hands
here today at \$120 per share, after
having been only 90 cents on Saturday
of last week. Elmer E. Paxton, former-
ly of Honolulu, is now manager of
the company's property. The rise in
the price of the stock is attributed to
the stiffening of the metal markets.
The last report issued by the officials
estimated that the company would be
out of debt by July of this year and
would then be on a profit earning basis.

No relief has yet been decided upon
for the cruiser Tennessee at Alexan-
dra, Egypt.

How She Was Helped During
Change of Life by Lydia E.
Pinkham's Vegetable
Compound.

Philadelphia, Pa.—"I am just 52 years
of age and during Change of Life I suf-
fered for six years

terribly. I tried sev-
eral doctors but none
seemed to give me
any relief. Every
month the pains were
intense in both sides,
and made me so
weak that I had to
go to bed. At last
a friend recom-
mended Lydia E. Pink-
ham's Vegetable
Compound.

Compound to me and I tried it at once
and found much relief. After that I
had no pains at all and could do my
housework and shopping the same
as always. For years I have praised
Lydia E. Pinkham's Vegetable Com-
pound for what it has done for me,
and shall always recommend it as a wo-
man's friend. You are at liberty to use
